APPOINTED COMMISSIONER.

C. M. Bingham Appointed County Com- missioner to Fill Vacancy Caused by T. L. Rodgers' Death.

Governor Broward last Saturday made an appointment that will meet with the hearty approbation of every tax payer in Volusia County, when he appointed Colonel Chas. M. Bingham, of Daytona, as county commissioner, to fill the unexpired term of T. L. Rodgers, deceased.

Col. Bingham is eminently quali- fied for this important position. He is a man who enjoys the esteem and respect of all who know him, and will make Volusia County a thor- oughly efficient officer. He has good judgment and is possessed of ex- cellent business ability, two quali- fications that are very essential in the conducting of the important office to which he has been appointed.

In a conversation with a representa- tive of the Gazette-News, Mr. Bing- ham stated that one of his first du- ties would be to place the Ormond and Port Orange roads in first-class condition, and after that was done, much needed repairs to the DeLand road would be undertaken.

These roads are badly in need of repairs, and should have been given attention long before this. No roads in the eastern part of the county are traveled as much as the Ormond and Port Orange roads and the new commissioner will see to it that they are put in first-class condition at once.

Governor Broward also appointed A. H. Ryland, of DeLand, to fill the vacancy on the board caused by the death of Frank E. Bond.

Has Met His Affinity.

Some weeks ago the Gazette-News, together with every other paper in this locality stated that Mr. and Mrs. Arthur B. Brown, of Ft. Pierce, were visiting the East Coast towns. Mr. Brown, who is one of the able edi- tors of the St. Lucie Tribune, de- nied that he was married, and stated that he had not yet met his affinity, or words to that effect, but what a change has come over his dreams, for in Tuesday's mail the announce- ment of the coming marriage of Miss Lela Cato and Mr. Brown was re- ceived, the wedding to take place at Alachua on October 6th.

The Gazette-News sincerely trusts that the premature publication of the fact that there was a Mrs. Brown, has had nothing to do with Mr. Brown's change of heart.
